**SPECIFICATIONS**  
(Corn Picker)

| <b>Item</b>                    | <b>Manufacturer's Specification</b> |
|--------------------------------|-------------------------------------|
| 1 Main structure               |                                     |
| 1.1 Overall dimensions, mm     |                                     |
| 1.1.1 Length                   |                                     |
| 1.1.2 Width                    |                                     |
| 1.1.3 Height                   |                                     |
| 1.2 Material                   |                                     |
| 2 Picking section              |                                     |
| 2.1 Dimension, L × W, mm       |                                     |
| 2.2 Height from the ground, mm |                                     |
| 2.3 Capacity, ha/h             |                                     |
| 2.4 Material                   |                                     |
| 3 Conveyor                     |                                     |
| 3.1 Dimension, L × W, mm       |                                     |
| 3.2 Height from the ground, mm |                                     |
| 3.3 Material                   |                                     |
| 4 Engine                       |                                     |
| 4.1 Brand                      |                                     |
| 4.2 Model                      |                                     |
| 4.3 Serial number              |                                     |
| 4.4 Type                       |                                     |
| 4.5 Rated power, kW            |                                     |
| 4.6 Rated speed, rpm           |                                     |
| 4.7 Cooling system             |                                     |
| 4.8 Starting system            |                                     |
| 4.9 Weight, kg                 |                                     |
