**SPECIFICATIONS**  
(Front Dozer)

| <b>Item</b> |  | <b>Manufacturer's Specification</b> |
|-------------|--|-------------------------------------|
| 1           | Main structure   |                                     |
| 1.1         | Overall dimensions, mm                                 |                                     |
| 1.1.1       | Length   |                                     |
| 1.1.2       | Width  |                                     |
| 1.1.3       | Height   |                                     |
| 1.2         | Weight, kg   |                                     |
| 2           | Depth of cut, mm                                       |                                     |
| 3           | Distance covered to fill the bucket at depth of cut, m |                                     |
| 4           | Turnability of dozer at maximum load, m                |                                     |
| 4.1         | To the left  |                                     |
| 4.2         | To the right   |                                     |
| 6           | Blade  |                                     |
| 6.1         | Dimension, L × W × t, mm                               |                                     |
| 6.2         | Concavity, mm  |                                     |
| 6.3         | Material   |                                     |
| 7           | Hydraulic cylinder                                     |                                     |
| 7.1         | Dimension, bore × stroke, mm                           |                                     |
| 8           | Main frame   |                                     |
| 8.1         | Dimension, L × W × H, mm                               |                                     |
| 8.2         | Material   |                                     |
| 9           | Height of tire from the ground when fully engaged, mm  |                                     |
